Franckesche Stiftungen zu Halle

Handwritten text in Tamil script on a palm leaf manuscript. The text is densely packed and spans the entire length of the leaf. A small circular hole is visible near the center, used for binding multiple leaves together.

Franckesche Stiftungen zu Halle

Handwritten text in a cursive script on a long, narrow strip of parchment or paper. The text is arranged in several lines and appears to be a historical document or record. A small circular hole is visible near the center of the strip.

Franckesche Stiftungen zu Halle

Handwritten text in Tamil script on a palm leaf manuscript. The text is densely packed and spans the entire length of the leaf. It appears to be a historical document or a religious text, given the context of the Franckesche Stiftungen. The script is in an older form of the Tamil language.

Franckesche Stiftungen zu Halle

Handwritten text in a historical script, likely German or Latin, on a parchment strip. The text is arranged in several lines and appears to be a formal document or record. A small circular hole is visible near the center of the strip.

Handwritten text in a cursive script, likely a historical document or manuscript, written on aged paper. The text is dense and spans the width of the page. A small circular mark is visible near the center of the page.

Handwritten text in a cursive script, likely a historical document or manuscript, written on aged paper. The text is arranged in several lines across the width of the page. A small circular hole is visible in the center of the page, suggesting it was part of a bound volume. The script is dense and difficult to decipher without specialized knowledge of the language and script.

Handwritten text in a cursive script, likely a historical document or manuscript, written on aged paper. The text is dense and spans the width of the page, with some visible ink bleed-through from the reverse side. The script is a form of historical German cursive, possibly from the 17th or 18th century.

Handwritten text in a cursive script, likely a historical document or manuscript, written on aged paper. The text is arranged in several lines across the page.

Handwritten text in Tamil script on a palm leaf manuscript. The text is arranged in approximately five horizontal lines across the length of the leaf. A circular hole is visible near the center of the leaf, used for binding multiple leaves together.

Franckesche Stiftungen zu Halle

Handwritten text in Tamil script on a palm leaf manuscript. The text is arranged in approximately 10 horizontal lines. A small circular hole is visible in the center of the leaf, used for binding multiple leaves together. The script is finely etched into the surface of the dried leaf.

Franckesche Stiftungen zu Halle

Handwritten text in a historical script, likely a form of Tamil or a related South Asian script, inscribed on a palm leaf. The text is arranged in approximately five horizontal lines across the length of the leaf. A small circular hole is visible near the center of the leaf, which is a traditional feature used for threading a cord to bind multiple leaves together into a book format. The ink is dark and the leaf shows signs of age and wear.

Franckesche Stiftungen zu Halle

Handwritten text in Tamil script on a palm leaf manuscript. The text is arranged in approximately 10 horizontal lines across the length of the leaf. A circular hole is visible near the center of the leaf, used for binding multiple leaves together. The script is finely etched into the surface of the dried leaf.

Franckesche Stiftungen zu Halle

Handwritten text in a cursive script on a long, narrow strip of parchment or paper. The text is densely packed and appears to be a historical document or record. There is a small dark circular mark or hole on the left side of the strip.

Handwritten text in a cursive script on a long, narrow strip of parchment. The text is arranged in approximately 10 horizontal lines. On the left side of the strip, there are several small, vertically aligned characters that appear to be a list or index: '20', '11', and '12'. The main body of text is dense and difficult to decipher due to the cursive style and the narrowness of the strip. There is a small circular hole or mark near the center of the strip.

Handwritten text in a cursive script, likely a historical document or manuscript, written on aged paper. The text is arranged in several lines across the width of the page. A small circular hole is visible in the center of the page, suggesting it was part of a bound volume.

Handwritten text in a cursive script on a long, narrow strip of parchment. The text is arranged in approximately 10 horizontal lines. A small circular hole is visible near the center of the strip, likely for binding. The script is dense and difficult to decipher without specialized knowledge of the language and script.

Handwritten text in Tamil script on a palm leaf manuscript. The text is arranged in approximately five horizontal lines. A small circular hole is visible in the center of the leaf, used for binding multiple leaves together. The script is dense and characteristic of traditional South Indian manuscripts.

Franckesche Stiftungen zu Halle

Handwritten text in Tamil script on a palm leaf manuscript. The text is arranged in approximately five horizontal lines across the length of the leaf. The script is a traditional form of the Tamil language, used for religious or philosophical texts. The leaf shows signs of age and wear, with a small dark spot near the center.

Franckesche Stiftungen zu Halle

Handwritten text in an ancient script, likely Tamil, inscribed on a palm leaf. The text is arranged in approximately five horizontal lines across the length of the leaf. A small circular hole is visible near the center, used for threading a cord to bind multiple leaves together into a book format.

Franckesche Stiftungen zu Halle

Handwritten text in Tamil script on a palm leaf manuscript. The text is arranged in approximately five horizontal lines. There are two circular holes visible on the leaf, which were traditionally used for threading a cord to bind multiple leaves together into a book format. The script is dense and characteristic of the Tamil language.

Handwritten text in Tamil script on a palm leaf manuscript. The text is arranged in approximately four horizontal lines. On the left side of the leaf, there are handwritten annotations: '175' and '175'.

Franckesche Stiftungen zu Halle

Handwritten text in a cursive script, likely a historical document or manuscript, written on aged paper. The text is arranged in several lines across the width of the page. A small circular hole is visible in the center of the page, suggesting it was part of a bound volume.

FRANCKESCHE  
STIFTUNGEN

## Franckesche Stiftungen zu Halle

Handwritten text in a cursive script, likely a historical document or manuscript, written on aged paper. The text is arranged in several lines across the width of the page. A small circular hole is visible in the center of the document, suggesting it was part of a bound volume or a folder. The script is dense and characteristic of 17th or 18th-century German handwriting.

Handwritten text in Tamil script on a palm leaf manuscript. The text is arranged in approximately five horizontal lines across the length of the leaf. A circular hole is visible near the center of the leaf, used for binding multiple leaves together.

Franckesche Stiftungen zu Halle

Handwritten text in Tamil script on a palm leaf manuscript. The text is arranged in approximately 10 horizontal lines. On the left side, there are two vertical annotations: '17' and '17/10/1416'. The script is dense and characteristic of traditional Tamil inscriptions.

# Franckesche Stiftungen zu Halle

Handwritten text in Tamil script on a palm leaf manuscript. The text is arranged in approximately five horizontal lines across the length of the leaf. A circular hole is visible on the left side, used for binding multiple leaves together.

Franckesche Stiftungen zu Halle

Handwritten text in a cursive script on a long, narrow strip of parchment or paper. The text is arranged in approximately 10 horizontal lines. A small circular hole is visible near the center of the strip, likely for binding or hanging. The script is dense and difficult to decipher without specialized knowledge of the language.

Franckesche Stiftungen zu Halle

Handwritten text in Tamil script on a palm leaf manuscript. The text is arranged in approximately five horizontal lines across the length of the leaf. A circular hole is visible near the center of the leaf, used for binding multiple leaves together.

Franckesche Stiftungen zu Halle

Handwritten text in a cursive script, likely a historical document or manuscript, written on a strip of parchment or paper. The text is densely packed and spans the entire length of the strip. A small circular hole is visible near the center of the strip, suggesting it was part of a bound volume.

# Franckesche Stiftungen zu Halle

Handwritten text in Tamil script on a palm leaf manuscript. The text is arranged in three horizontal lines. The first line contains approximately 15 characters. The second line contains approximately 15 characters. The third line contains approximately 15 characters. A small circular hole is visible in the center of the leaf, used for binding multiple leaves together.
