Monday in consequence of the scantiness of heaven was changed
into mighty thankfulness Tuesday when the sidebench was full
& there seemed upon the whole to be only 3 places open, & in dgm.
which I began there were about 50, but on Wednesday again
the number was quite small. And also to the seminary & to the
reading circle but few have announced themselves. I looked over
my journal from Rome, from 1830 - it is a miserable history to live
such a life. And if I know that all is owing to Godly
discreet should I not resist any such drooping feelings?
I cannot. - Last night I had a lively dream being in Rome
with Willeke & enjoying the fine prospects, how happy did
I feel me & now in the morning arose.

Monday 22 May 27. How noisy days! Saturday I declined from
10-11 dogmatism & got free for the afternoon, at 11 I walked with
Gering, who dined with me. In the afternoon at 4 to Edman
to talk about miracles. He read nothing better to say except
this: die Natur ist frei gelassen, Chr. hat auf sie nicht natürl. ein-
schränken creatürlich gewirkt. Als ich fragte warum bei Herlung der
Fieber sagt er: Das können wir allerdings nie da sagen, wo das
Wunderaufens der Eindruck macht so ausserordentlich gewirkt zu sein.
Gering home & found my quickly smiling friend Tandemitz,
Willeke had invited me to attend Holles lecture, I was sorry to
be prevented to dine with him & Wolz & Göschel, but I ran home
to Tandemitz who had been reading in a book of a Roman & in
a book of Karver. I received again the impression how little power
religion there was in Calverton. In the m. church to Gyander
on regeneration, a walk with I on Sabbath which charmed
him, dined with Doer & T. Marx was lively by his spiritfulness.
"Das ist nicht nicht Thoma, nur Luthers Geist." With I passed the
day, then back to Willeke where Holles: Heute kein ich nicht
ich kann mich nur ärgern, wie Dreyer & Kordtke etc. etc. read from
Henry II. Felt happy but excited so that a long night

ensued. Jan 10-11 free delivery in a lect. on Old Test., it is
always a different feeling, I feel my self truly as Christ.
Coming home found Winter beards Dr. Ullrich in his
book in law, waited with, lost all the rest of them
& at dinner kept Winter on account of the
law of Höpi lately in the Wohl. -

Thursday 26 May 37. Yesterday on the Braspen from 10-11
very much strained in the lungs, in consequence of having
had my Sunday while after the two lectures. It was
hard work but God gave me to speak very affectionately
& can hardly resolve to give it up. I was so weak that
I despaired of being able to lecture in the evening but I
tried God on account of former experience & I
succeeded, in the evening walked with Röse & Wachter
& delightful conversation with Mary & them, particularly
on what Edm said: Gefühl sagt: es ist mir so - Edm
now cast back my eye to ask how it is with my
apprehensions of freud at the first beginning of the con-
It is true the number is less than my apprehension.
85 in ex. have announced them. & about 5 more will do it
yet, in dagm. 52, but as Tunbridge there are scarcely
40 in W's ex. & 30 in his Moral, Edm with Phil there
are not quite 50 in dagm, so that it is quite rich.
factory. It is true there in dagm 29 of them I know
personally, but on the other hand is not that an advantage?
Indeed so many have been recommended to me in the
course of this sem. that I cannot invite all of them.
