of the Gleaner nor of the Behavers. How remarkable - Trifles
at least effected that I tried to accomplish my books, Trifles
at least will do away with the parade in Travis's work
with the humorous tone I had adopted some time since.
I am so thankful, the Lord has preserved my eyes so far
that I see the possibility of preparing the Latin language
Schriften during the vacations. In the evening with Richard
from Luccan & Rienäcker.

Friday the 22nd March 38. Concluded the classes, at 5 the last time Encyclopaedia
Useful with Cappell & Königs, full of apprehension for the next
Lecture. Dinner with Terspersen, Ulrich, Guericke, Muhle. Letter
from das Tahn. Supper with Sauerbrey, Dör, Schreier, Müller. Letter
of Anrege 591, which though I signed for 630-50. This is a most
unusual feeling to ~~stand~~ stand before the desk on the first day
of vacations, what now to do first? I shall first prepare
the Gleaner. & at the same time for more recreation the Abhandlung
vord. Winder.

Thursday the 30th 38 How the days run. This week has elapsed
like a moment. Rauten often invited & fully engaged by
the students who departed. Have begun to revise my essays
finished that on Musk., now over that on the cath. miracles.
Delight in the idea that the work is going on, though yesterday
morning I awoke with that excitement nervous I felt
at the time of the composition of the Gleanerwinden. Yet yesterday
at 9 Hier came, with him till ten, then a letter to Knig, then
five students here Neuer, Erhard, Schwanz, Schellenberg, whom I must
send away at 12. Then came, then we met Rädige, with him till
1 o'clock, dined with Hier, Davies, Augustin, Müller, a good

naps, walk with Davies & Milne, preparation for Dante. There: Gas
Almbros. a greek father: Mit Gas beleuchtet man d. Kirchen nicht,
daraus ist Gas auch nicht ein grosses Kirchenlicht. - Wer leuchtet
über Griechenland: ein Freund W. - Was muss ein Geistig haben? -
Was muss du werden e. Lippel wegnimmt (schla): in wet en.

Thursday 5th Apr. 38. Visit of Wagner from Erlangen, Graff from
Breslau, Ben from Münchberg, several students from Berlin,
departure of Quist Dr. Haupt German, Herrklara, some very
dear folks. Walked with Schellenberg & Hannibal, pleased
abit, but called upon Edman who took me with him.
Thus prevented from going with them, which grieved me.
Talk on creation: Gott ist Substanz = Allgemeinh. an u firsich;
der Sohn u Vat relative Allgemh u Besondesh., der Sohn
die Besonderheit an sich. Penitus to Grünthal. Fernempfund
der Objekte anders an sich, in dieser, so nur in der Sonnenanblich,
daher kann I Meeres o fliegen. Auch wenn der Myn. will dass die
Sonn. einschläfe, so würde er nicht auf sie, sondern sie
würde nur seinen Walden nie.

May 3. After my return from Werniger. healthful & happy

days, sleep in the night, no weakness in the
eyes, steady & pleasing labour at the essay into
Aufklärung, as to Oerter first apprehension, then
satisfaction. Within 2 days the lectures begin &
I feel as yet as if they never should begin. An
aversion to them, because I am aware that I
am not in possession of stimulating power.
