4 Nov 41 Wednesday. Hoididen er over. God var naadig og min tale
tilfredsstillede alle, først Ellinck udtrykte det, Blanc
Meyer Erdman. Jeg havde været syg og alligevel Gud hjalp mig.
Det skete til ham. Da jeg begyndte Engele, der syntes
at tilvare omkring 60. I Moralen maaskee 150, i Ex. jeg
nydte den glæde at se næsten 45 eller 50, og at Gud
gjør mig den naade at se Ex. saa mange samme
baemker. Siender fra de saechsiske steder blive bort.
Min kom er syg og vrank. Da jeg har indlydet
Bibelen fra Rechtin, Plaehn fra Coethin, Jaenicke, Dulitz og

18 Nov. 41 In event of importance my speech on the reformation
day. After a bad night I succeeded beyond expectation.
Mr Delb. expressed his warmest gratitude, Meyer said his compliments,
Blanc was full of enthusiasm. The evening on the Org. passed
pleasantly. Sunday morning at Dry's church, then with Küchler
Leo, in the Muenia, walk with Erdman & talk that he had said
an Invited man with not say I travel to Leipzig for Gods
sake, at dinner with Joos & Mohrns, then, Portig embraced
me with tears, I was raised in some measure by the approbation
of so many professors. Min umiddel et lidt bedre, I could not say

Noble

Sunday 28th 41 The last sermon on 2 Tim 3:16. Flowing rain, but many students, after the walk with W. form the answer of Müller which mortified me so deeply that I could scarcely resolve to go there, finally I did it. Arise in greatest provocation, all things are now with one respective lecture on dogm & mor in a room & how he means all. However I pardoned him before the Lord & supplicated the Lord's grace upon him & renewed within me the assurance that all depends upon Him & that he can lead matters most differently from what we imagine. In the Romans I had been anticipating few there were 139, in the Synopsis many there came but 65. Confide on him teacher on heart! From the comm. on the Hebrew I anticipated honour & have been covered with shame, from the new ed. from the Romans I anticipate shame & may earn honour.

Friday Jan

Morning walk with Ramke & Bissler from Musich, disputation on the personality of God, in Synopsis many not present who ought to be present, at 4 walk with Gues, he & myself at a loss what to lecture, in the with the note when he dinnomies Moral. Last night the Cochmen with me. Now at 5 o'clock the evening before me, loathsome, dreary

Sunday 30 Jan 42. All the days before in Synopsis not many more but twenty & also in Moral they dropped fast and more than perhaps 100-110 will not be present. The more I was surprised & thankful for the serenade on Friday, & the Feat combined with it, though from the consequences how lamentable the state of things is actually I was not very gladly moved. There is scarcely an instance of my walking with a new one. However Freisleben from Cöthen was introduced who seemed a promising youth not so dull as the Cöthen people are.
