And in descending the Kambsberg with Wetter how did I express
any anxiety concerning the next Semester! Thus the Lord knows
to guide differently from what we expect! The great event
was however the death of Guertius which took away the lightning
from the hearts & the great number of youths who arrived
at the commencement of the session. There was no instance of
relapse of this session with the only exception of Nöl, on
the contrary Ramm drew nearer though yet cold, Rösler also
& even Richter requested again intercourse. Nevertheless I
closed the term with deep cutting woe, in consequence of
Winkler's coldness, I wished to be far from the scene
O Lord teach me to cleanse my heart, the day of my separ-
ation from this world is drawing nigh.

Sept 4th. 1843 Monday morning, before setting out for Mgd.

Again a semester passed. A large auditory III in Bahm, 183 in Coll.
gph. Lehrb., 180 in publ or Munder. A very considerable number of
such who came with recommendations. Georg Vorberg Loebek from
Mgd., Philipp Hupper Pömer from Snitzburg, Hahn from Vareund, Hoffmann
from Nordb., Leonhard from Leiz, Antons from Drebn, Stöckman from Datzel, Stath
from Danzig etc. Had experience with Lietke Vorpahl. Middling with
Splicht who wrote the letter in newest. Linn etc. As my wife
had departed middle of June I spent most evenings with the
young fellows. There was also much earnestness in the Lathi
Lehrbegr. Affectionate parting with Längsd. Vallert from
Weimar, Richter from Görlitz, Georg from Münster. For the next
sem. humanly speaking favourable views (unless Frith. Gust. out)
for Mr. Syn. is possibly also Stuwer. After a terrible Sunday
with the specimens from Mgd. & most enormous depression
on the nerves, today in better state of mind, but

eyes wear. I had a hard struggle concerning the choice of Faust but I approve now of my choice, he has not much understanding. I recollect how often he remained dumb in conversation & instead of giving a reply only a burst of laughter. My health was tolerable, few days of great lowness, on the contrary some of vigour. By the way that the Tiber. Dinde Wellman adopted so little grieves me, also Pete passed quite unaffectedly. How will mother do in Switz. I should say very well. I have a deep longing after my wife, if she can love me, I love her ardently, & the company will be pleasing.

I have not been thus looking up in all periods of my life. all

here we are grappling in the dust she replied: but
do we not by grappling in the dust rise to the sky?
