Nov. 1st. 43 Wednesday. First I have to record about my journey of Oct 18th Wednesday till Friday 20th my trip to Sandnitz, three of the happiest days of my life. I felt the necessity of some relaxation after having worked out the review on B. Cons. John. One of the most splendid days we sat out, first a camp
 Ahrens? by Enrico, having just conversed intelligently with him on Camoens it was like dumbness when he left us & I approached bed-ridden, but not at all. As I arrived, withdrew for a hour to that family then returned. That is also so fine that he is not like Wieser who had so many other people to deal with, he is totally given to my self. After having retreated, we still were upon the sofa some time, in the night I must drive him out. Next morning delightful talking, then out to Selitzsch, Grossman etc. Dinner with Hütner right, Messner left, Volkmann, Messner, Grossm. Del., after hard walk with Del. Caspari, Grossm. Emil. Evening alone with T. Next morn. wet & violent storm, with closed eyes but so fresh as to ring turn, — had we also walked back? the few moments after dinner we walked in the field I felt the bias of becoming, almost he had broken my arm. Fresh full of turn, all the subsequent days till Monday at Magd. where I had that enormous grievance of calling Brox. a ~~romanticist~~. I could scarcely manage myself, hurried home & consulting Weysser, who lay happily unfolded. — Last Wednesday, Friday Monday at 8 walked with T., yesterday with him & Th. to Wehrin. She called me you, I addressed him freely then. On the way there I felt quite dull & fallen, but back in the most sumnerly moonshine evening, unapologetically happy. Also in the morning there was no reason of yielding to the feeling that I am not encompassed enough by love, I feel that I am encompassed by him as much as I require it. That relieves me together with my dear wife's love. — Today began lecture, though had right,
