Amor descendit, non ascendit. This is a sign of its heavenlyness, Benefactors generally love their Clients better, than the Clients their Benefactors. It is the nature of Love, scilicet if it be not a Bastard or Counterfeit Love, if rather to give than to receive. The Sun sends down his Beams to the lowermost parts of the earth, our steams which are thereby raised reach but a very little way up towards heaven. The more refined vapours get up highest and gathering into clouds afford fruitfull rain, whereas the thick stinking fogs infect the air with unwholesome quality.

14. 8. Most people busy themselves more about building up the outward part particular Church, than about the advancing that invisible Church, which is the Spouse and Body of Christ.

29. 4. It is a presumption to demonstrate way to comprehend how I love one, or how one is three, both parties having run themselves into inconveniences, by offering at. It stands us in more stead to come to a blessed experience of being one with God in Christ and to enjoy the happiness of that state, which passes all human understanding.
