we considered upon this our melancholy Condition, but we not knowing ourselves any ways or means to remedy it, we will confide in Gods paternal care, and we will borrow upon his Account, and carry on the Work that is begun in his Name.

- 1.) That we will consult with M<sup>r</sup>. Morfe about April 14. getting the Silver and other things, which was sent from Europe last Year and is now in Bengall.
  - 2.) About our letters to Europe, as here is the George Snow that will be ready to sail shortly
  - 3.) That we will consult with M<sup>r</sup>. Morfe & ask his Opinion about getting a Subscription in this place, towards building a Church.
- We considered the present circumstances April 21. of the Mission, that we are already much indebted, and our Creditors want their money to be repaid, and what money was sent out
-

out from Europe last Year, remaineth yet  
in Bengall, which as we see by the Invoice,  
is no more than the Missionaries Salaries for  
1747. and as it is already late in the Season,  
very likely even that will not arrive here  
till August next. We therefore resolved to write  
a letter to the Missionaries in Tranquebar  
to represent to them our present condition, &  
to ask their advice & opinion what to do in  
this case. And as we have no money more  
in hand and see no likelihood of borrowing  
any more without giving sufficient Secu-  
rity, we also resolved to send this letter by  
an express, that we may soon have their  
answer.

April 28. We conferred upon several Oeconomical  
affairs.

May 5. 17 Having now, thanks to God, received the  
Silver from Bengall per Toyal Snow,  
though it is no more than the Missionaries
